## **Proposal #1** – Legalizing the use of medical marijuana in Michigan

**CTV Position: Oppose**

**Vote: NO on proposal #1**

- Marijuana is a dangerous, addictive drug posing significant health threats to users.
- Marijuana has no medical value that can't be met more effectively by legal drugs.
- Marijuana users are far more likely to use other drugs like cocaine and heroin than non-marijuana users.
- Drug Legalizers use “medical marijuana” as red herring in effort to advocate broader legalization of drug use.
