Learn how to ...

Network ... with other like-minded
citizens in your community.

Organize ... by learning how to build
a network, communicate and mobilize.

Influence ... your family, neighbors,
church, co-workers, and state!

Informative. Encouraging. Effective.

If you want to limit government's involvement
in your family's life, preserve traditional values
in our society, & make an impact in Michigan
but are not quite sure where to start, you need
to be here!

Making a difference on the issues you care
about is easier than you realize! Bring a friend
to this 2 hour jam packed seminar and walk
away with the tools to impact your community
now and for future generations!

**This Training: Special Focus on
Becoming a Precinct Delegate!**
