Dr. D. James Kennedy, Coral Ridge Ministries

"The Greatest Story Never Told is a dynamic introduction to the overwhelming amount of history which was once common knowledge, but has simply been forgotten and ignored. I know that you will agree that The Greatest Story Never Told needs to be shared. I want to encourage you to assist the Foundation for Traditional Values in the important task of spreading the word to others."

Charlie Mack, Faculty Ministry of Campus Crusade for Christ

"The Greatest Story Never Told Seminar lays to rest once and for all the myth that America's Founding Fathers were all Deists. James Muffett clearly lays out the Biblical foundations of our country and the spiritual values of our leaders."

Dianne Odrobina, Director, Senate Majority Policy Office

"Many members of the staff praised your presentation for its open-minded and well-documented nature. The quotes you used clearly revealed the historical development of our political and legal systems."

Fred Chase, Superintendent, Lexington Christian Academy

"This was the most exciting teaching session we have ever had for our staff. Mr. Muffett's enthusiasm and depth of knowledge had a very good impact on the teachers."

Keri Young, Brighton Assemblies of God

"I absolutely hated history – until tonight. This was the first time in 31 years that I have been excited to learn about the history of our nation. Excellent, absolutely the best thing I've ever heard."
