

INVITE YOU TO THE 2025

# Political Leadership Academy Campaign School

**BEST TRAINING** for conservatives who want to win and defend what is good and right and true

CTV has successfully trained candidates at every level since 1995. This year, we are partnering with Josh Emerick (LI) as we prepare candidates in this premiere training school.

We need principled leadership in every level of government. To achieve this candidates have to know what they believe, why they believe it, and HOW to RUN and WIN.

If you are a candidate, or thinking about it, or want to HELP a candidate win, you need to register for this training today!
