

Summer 2025

Dear Wayne County Clergy and Spiritual Leaders:

Would you join us for lunch on Tuesday, August 5, 2025 (see attached). We would like you to be our guest for lunch as we seek your wisdom, perspective and insight for strategy in this hour for the Wayne County community.

Since 1989 Citizens for Traditional Values (CTV) has been working in strategic ways throughout the state to **preserve, defend, and promote Judeo-Christian values in the public arena**. We know that if we can educate, equip and mobilize those who share our values, it WILL impact the policies that ultimately govern our lives and our communities.

We want to know from you:

- What would help you better inform and equip your congregation
- How can organizations like ours help churches in Wayne County stand for life, religious freedom, parental rights, etc.

We also want to provide you:

- Insight on what the recent statement from the IRS means for your church
- Intel on issues in Lansing that are currently *hot on the table* that could impact you
- Ideas on how we might partner together

If this resonates with you, but you cannot be present, would you mind filling out the attached survey? We are eager for your insight! We are happy to arrange a conversation with you at a later time, if you are interested.

Please know, Pastors, that it is our heart to honor you, to come alongside you, and partner with you for the advancement of what is good and right and true according to God's Word. THANK YOU for all you do. We hope to see you on August 5, 2025.

Sincerely,

James Muffett
