Dear Michigan Delegates,

As you prepare for the special State Senate election on **Tuesday, May 5 election**, could you use **voter guides to distribute in your Bay, Midland, and Saginaw churches?**

Citizens for Traditional Values has **nonpartisan, comparative voter guides** designed to help faith-based communities participate thoughtfully and responsibly in the civic process.

These guides share a clear, side-by-side comparison to inform voters of where the two candidates stand on the issues we care most about. It also shares endorsements.

We would love to make these available to you for your church, community, and neighbors.

**Simply respond to this opportunity by:**

1. Visiting [www.ctvmichigan.org/baymidlandsaginaw](http://www.ctvmichigan.org/baymidlandsaginaw) and let us know via the “Voter Guide Request” button
2. Or email us with questions [ctv@ctvmichigan.org](mailto:ctv@ctvmichigan.org)

We believe people of faith have an important role in helping shape culture and strengthen communities - and one of the simplest, most practical ways is to **show up and vote** when we have the opportunity.

Since 1989, **CTV** has provided resources and tools that help **churches educate and equip** their congregations to engage in the public arena in a responsible and constructive way.

You can make a difference simply by participating in elections! Join us **here at** [www.ctvmichigan.org/baymidlandsaginaw](http://www.ctvmichigan.org/baymidlandsaginaw).

With appreciation,

P.S. If you're not the right contact for your church, would you forward this to the person who handles church communications or outreach?
