

Are You Ready to Impact Michigan? Our voices are needed.

Dear Neighbor,

1. Are you aware there is a very important election coming up in Michigan on Tuesday, November 3, 2026?

MICHIGAN IS VOTING THIS YEAR TO CHOOSE A NEW:

- Governor/Lt. Gov
- Secretary of State
- Attorney General
- MI Supreme Court
- US Senator
- US House members
- State Senate members
- State House members
- State Board of Edu Mbrs
- University Boards
- Local School Boards
- Judges

2. Here is an easy resource for voter information, provided by Citizens for Traditional Values (www.ctvmichigan.org/vote).

- They have statewide voter guides available.
- You can find your sample ballot.
- They have information for your Clergy what they can and cannot do for the elections.

Consider voting absentee to ensure your vote is counted and no matter what - you won't miss voting!

3. Friend, I know you are busy but this year so much is on the line for our state.

Someone with your values is elected or it will be someone else's values. Who holds the majority determines the direction of our state. Sometimes, elections are won or lost based on very small margins (in 2024 a State House race was decided by 80 votes!!).

Research has shown that over 30% of Christians don't bother voting. Let's break the trend this year: will you help us?

What you can do for Freedom

1. Look up your sample ballot www.michigan.gov/vote
2. Sign up to vote absentee
3. Tell your friends and neighbors who supports your values
